DISCHARGE TO STATE WATERS, PURSUANT TO U.S. PUBLIC
LAW 92-500 AS AMENDED AND SECTION 62.1-44.2 ET SEQ OF
THE CODE OF VIRGINIA AS AMENDED.**

The municipal, industrial or private facility owners on the attached list has applied for VPDES Permits and State Certificates to discharge treated wastes into the waters of the Commonwealth of Virginia, or for reissuance or amendment of existing permits.

The applicants treat or propose to treat sewage and/or industrial wastewaters conveyed to the treatment facilities, prior to discharge. On the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental quality (DEQ) proposes to issue/reissue/amend/terminate the permit(s) subject to certain effluent limitations and special conditions. These proposed determinations are tentative.

**PROCEDURES FOR FORMULATION OF FINAL
DETERMINATIONS**

Persons may comment in writing to the DEQ on the proposed permit within 30 days from the date of newspaper public notice. Comments shall include address and phone number of the writer, and shall contain a complete, concise statement of the factual basis for the comments. Only those comments received within this period will be considered by the DEQ. The DEQ may, upon request or upon its own motion, decide to hold a public

hearing if it determines that public response is significant. As of September 1, 1985, the mailing notice will be *informational only* and is considered to be confirmation of newspaper notices and not the official notice for comments.

All pertinent information is on file and may be inspected and arrangements made for copying at the Regional Office having jurisdiction as indicated in the first column of the attached list:
